LIONS CLUB

27 January 2014

To Whom it May Concern,

On behalf of the Ohope Beach Lions Club it gives me great pleasure to provide reference to Reuben.

Rueben was an integral part in the success of the Ohope Concert at the Beach 2014. Rueben performed as well as MC'd for this event and did a stunning job.

Rueben has an amazing ability to get crowd involvement and enjoyment by the way he encourages their participation and works to read what they want and bring this to them.

Reuben's willingness to be involved in this charity event is much appreciated.

We would have no hesitation in recommending Reuben for further opportunities.

Yours sincerely

Beverley Grammer

Concert Coordinator
